ABOUT US

Takeoff Edu Group offers comprehensive and ethical academic support services for Engineering Students, Faculty Members, and Institutions. We specialize in delivering structured, research-driven solutions that meet the highest academic and professional standards. With a dedicated team of subject experts, we transform ideas into impactful academic outcomes-supporting projects, publications, and institutional growth with integrity and excellence.

OUR CORE DOMAINS

Electrical & Electronics Engineering

Power Systems, Power Electronics, Electric Drives, Renewable Energy Systems, Smart Grid Technologies, and More.

VLSI & Embedded Systems, Digital Signal Processing, IoT & Communication Systems, Antenna Design, image Processing and More.

Electronics & Communication Engineering

Computer Science & Engineering

Artificial Intelligence, Machine Learning, Big Data, Data Science, Cyber Security, Software Development and More.

WHAT WE ENSURE

Innovation-Driven Research Solutions
Cutting-edge research approaches

Research, Innovation & Publication on a Single Platform
Streamlined research process

Quality Technical Documentation
Clear and accurate documentation

Ethical & Confidential Academic Practices
Upholding academic integrity

OUR PROJECT DEVELOPMENT ASSISTANCE FRAMEWORK

Requirement Analysis & Topic Finalization

Research & Design Planning

Development & Implementation

Testing & Validation

Documentation Report Preparation

Final Review, Demo & Viva

OUR P1-P2-P3 RESEARCH MODEL

P1

PROJECT IMPLEMENTATION ASSISTANCE (STUDENTS: EEE | ECE | CSE)

- ▶ IEEE-Based Latest Topics
- ▶ Research Gap Identification
- ▶ MATLAB/AI/VLSI/Embedded / Hardware Development
- ▶ Complete Documentation & Viva Support
- ▶ 100% Original Work with Plagiarism Check

Structured Academic Project Support.

P2

SCOPUS/SCI PAPER WRITING & PUBLICATION ASSISTANCE (FACULTY)

- ▶ Journal & Conference Paper Drafting
- ▶ Scopus/SCI Targeted Submission
- ▶ Formatting & Plagiarism Optimization
- ▶ Reviewer Comment Support
- ▶ Supports NIRF, NBA, NAAC & API Goals

Enhancing Faculty Research & Institutional Visibility.

P3

PROJECT + SCOPUS INDEXED CONFERENCE PUBLICATION (CORE MODEL)

- ▶ Research Gap Advanced Project Development
- ▶ Results Validation & Technical Comparison
- ▶ IEEE Conference Paper Drafting
- ▶ Plagiarism Optimization & Submission
- ▶ Reviewer Support & Scopus Indexed Publication

Complete Research Cycle: Student + Faculty + Institutional Growth

HOW P3 SUPPORTS INSTITUTIONAL RANKING

- ▶ Boosts Scopus Publication Count
- ▶ Supports NBA & NAAC Metrics
- ▶ Improves NIRF Research Score
- ▶ Enhances Academic Reputation

WHY TAKEOFF EDU GROUP?

- ✓ Unified Platform for EEE, ECE & CSE
- ✓ Interdisciplinary Research Solutions
- ✓ Structured Execution by Domain Experts
- ✓ Ethical & Transparent Practices
- ✓ Scopus Conference & Publication Support
- ✓ Ranking-Focused Project-to Publication Model

FOR INSTITUTIONS

We partner with Engineering Colleges to:

- ✓ Convert Projects into Scopus Publications
- ✓ Increase Department Research Output
- ✓ Ethical & Transparent
- ✓ Support Faculty Publication Goals
