**Your Research Journey
Guided by Experts**

ABOUT US

We are a specialized PhD Guidance & Research Support organization dedicated to supporting doctoral scholars throughout their PhD journey. Our objective is to simplify complex research processes by providing clear direction, domain expertise, and continuous mentoring.

We follow ethical research practices, ensuring originality, confidentiality, and compliance with university and publication standards.

WHY CHOOSE US?

- ◆ End-to-end PhD lifecycle support
- ◆ One-to-one mentor guidance
- ◆ Ethical & plagiarism-free research work .
- ◆ Practical implementation & result analysis support
- ◆ Transparent process & timely delivery
- ◆ Confidential handling of scholar research data

OUR SUCCESS STATISTICS

- ◆ 1000+ Research Scholars Supported
- ◆ 500+ Journal & Conference Papers Published
- ◆ 300+ Successful PhD Completions
- ◆ 95% Scholar Satisfaction Rate
- ◆ Scholars supported across India & International Universities

OUR EXPERTS

ARETI GOPI
R&D Electrical

Expert in Power Systems,
Power Electronics,
Electric Drives,
Control Systems

BALARAM PANIGRAHY
R&D Computer Science

Expert in AI/ML/DL,
Data Science,
Cloud Computing,
Computer Vision,
Cyber Security

SIVA RAMA KRISHNA
R&D Electronics

Expert in Edge Computing,
IoT, Robotics
Antenna designing,
Low power VLSI, Protocols,
Design Verification

NETI GURU DARSHAN
R&D Electronics

Expert in
Digital Signal Processing,
Digital Image Processing,
Wireless Sensor Networks
Digital Communication
systems

Start Your PhD Journey with Expert Mentors

OUR PhD GUIDANCE SERVICES

We provide end-to-end PhD assistance, from topic selection to thesis submission, helping scholars achieve research excellence with confidence.

WHO WE ARE

We are a professional academic support organization offering expert PhD guidance across engineering and computer science domains. We help scholars succeed through structured mentoring and quality research support.

WHY SCHOLARS TRUST US

Expert Research Team

Our team of experienced PhD mentors and subject specialists provides personalized guidance, ensuring strong research quality at every stage.

End-to-End Support

We offer complete assistance from topic selection and proposal writing to journal publication and final thesis submission.

Quality & Timely Delivery

We deliver plagiarism-free, well-structured, and accurate research work within committed timelines.

OUR SERVICES

RESEARCH PROPOSAL

- † Problem statement & objectives
- † Literature review structure
- † Research methodology

TOPIC SELECTION

- † Research trend analysis
- † Research gap identification
- † Topic finalization

IMPLEMENTATION

- † Algorithm & model design
- † Simulation & validation
- † Performance analysis

JOURNAL PAPER WRITING

- † Paper writing & formatting
- † Q1, Q2, Q3 & Q4 journals
- † Plagiarism-free content

PUBLICATION

- † IEEE/Scopus/SCI/ journals
- † Journal selection support
- † Submission guidance

REVIEW PAPER

- † Systematic literature review
- † Gap analysis & comparison
- † Standard journal formats

THESIS WRITING

- † Chapter-wise preparation
- † University formatting
- † Viva guidance
